At the end of 2017 the TES announced that I was the most downloaded new author and in 2018 another 2 million were added to the count.Last updated6 December 2018A revision sheet (with answers) containing IGCSE exam-type questions, which require the students to differentiate to work out equations for velocity and acceleration. The resources have been tweaked over time and I have had many happy lessons and shed-loads of happy and successful students. This sheet is designed for International GCSE revision (IGCSE), but could also be used as a homework for first-year A-level students.
